Nursing Centre

In our nursing centre, we alleviate patient discomfort and provide recommendations on how to cope in the future.

For a patient still requiring the help of a nurse after inpatient nursing care, we offer the home nursing service. The hospice unit in our clinic provides attention and care to the person about to leave this world as well as the family and loved ones who are about to lose somebody.

Please submit the referral for independent inpatient nursing care and home nursing through the Terviseinfo system. Please send the patient's name and personal identification code to oendusabi [at] itk.ee (oendusabi[at]itk[dot]ee).

Based on the “List of Health Services of the Estonian Health Insurance Fund”, the daily inpatient fee for independent inpatient nursing care is **EUR 145** 90% of which is paid by the Estonian Health Insurance Fund, therefore, the patient’s own contribution to the inpatient fee for each day of inpatient nursing care is **EUR 14,18**. The duration of nursing care depends on the need of the patient for inpatient nursing care..
