Prosthetist´s appointment

Our prosthetists make individual orthopaedic insoles and prostheses.

A referral is not required to make an appointment for a consultation with a prosthetist. The consultation is paid. On the basis of a certificate of assistance, the discount is 50-90%. If necessary, the prosthetic Master will issue an auxiliary certificate on site. All devices produced at our centre are registered and entered into the Medical Device Registry of the Health Board.

Appointments can be booked: by phone 606 7878 **Mon-Fri 8:00–16:00** or 666 1900 **Mon-Fri 7:30-18:00**
