Emergency appointment with a gynaecologist

At the Women's Clinic you can make an emergency same-day appointment with a gynaecologist, from Monday–Thursday, by calling 666 1900.

Book an appointment with the registration desk by calling 666 1900 in the morning:

- if it is a cycle disorder or an irregular cycle
- if bleeding occurs during non-menstrual periods and it does not exceed the amount during normal periods
- if you have mild, moderate or prolonged abdominal pain
- if you have symptoms of vaginitis

In case of breast related problems, please write torind [at] itk.ee (rind[at]itk[dot]ee).
