## Voice disorder test

**During the examination, we use special equipment (stroboscope) to identify the occurrence of vocal cord diseases.**

The treatment of throat diseases is done by medication and surgery. We only perform endolaryngeal surgeries i.e. under the microscope inside the throat.

A referral from a family or specialist doctor is required for the examination!

**Appointments can be booked:**

- by phone [666 1900](tel:6661900) **Mon-Fri 7:15-18:00**
- at the reception
